1 CONCLUSION

Students were fairly challenged by the questions but were impressively able to overcome them and the results were moderate sighting confessions that the institution is not in a very dangerous or sorry state but again not so high up in the clouds according to the standards. The teaching staff was notably appreciated with a high percentage of the students admitting that quality services are offered by the lecturers.

	FACILITIES No.(%)	SERVICES No.(%)
Very Poor	20	15
Poor	35	40
Fair	54	69
Good	56	55
Very Good	47	36
